THE «YOUNG LEADERS PROGRAM»: THE PROMOTION OF EXCHANGES BETWEEN CHINESE AND FRENCH HIGH POTENTIAL INDIVIDUALS

Ahmed BALADI

Lawyer Partner, Allen & Overy

Since 2010, Ahmed Baladi has been a partner at the law firm Allen & Overy. From 1998 to 2001, he was an associate at Archibald Andersen. In 2001, he joined Allen & Overy, and spent a year in China from 2004 to 2005, on secondment to the Beijing office.

Ahmed specialized in technology, commercial transactions, e-commerce and data protection. He leads the Paris TMT Group and is the head of the Allen & Overy Global Technology Group. He has acquired expertise in big data, cloud computing, social media and cyber-security.

Ahmed regularly gives advice on data protection issues in situations of compliance and pre-litigation and on strategic commercial transactions in the technology, finance, energy, aerospace and pharmaceutical sectors.

Akrame BENALLAL

Michelin-starred chef, Restaurant Akrame & Ateliers Vivanda (Paris, Hong Kong)

Akrame Benallal was born in France in 1981 but spent the first thirteen years of his life in Oran, Algeria. After the sudden departure of his father, he learned to get by on his own and decided very quickly that he wanted to be a cook. At the age of 14, he became an apprentice at a Post Office restaurant in the Loir-et-Cher, France.

From 1996 to 1999, he entered the Orangerie at the Château de Blois. In 1999, he continued to prove his merit with Pierre Gagnaire in pastry. The following year, in 2000, he met Alain Solivérès at the Hôtel Vernet. In 2004, he spent one season at El Bulli with Ferran Adrià. After that, in 2005, he took control of the Château des Sept Tours' kitchens.

Later, in April 2011, he opened his eponymous restaurant "Akrame" in Lauriston Street. Akrame Restaurant received its first Michelin star in 2012. He opened his second restaurant "L'Atelier Vivanda" in the same year. In 2013, he opened a new Akrame Restaurant in Hong Kong and a wine cellar named BRVT. Akrame was awarded a second Michelin star in February 2014.

THE «YOUNG LEADERS PROGRAM»: THE PROMOTION OF EXCHANGES BETWEEN CHINESE AND FRENCH HIGH POTENTIAL INDIVIDUALS

Julie BURGUBURU

Deputy Chief of staff to the President of the National Assembly

Since July 2014, Julie Burguburu has been Deputy Chief of Staff to the President of the National Assembly, Claude Bartolone.

Managing the cabinet under the Chief of Staff, Julie is specifically in charge of two committees led by the President. One aims to rethink the future of French institutions while the other deals with citizenship commitment and the sense of belonging to the Republic.

From 2011 to 2014, she spent four years in Asia, in Shanghai, where she worked as Vice President to Veolia China, in charge of transformation.

Prior to her time in China, Julie worked for seven years as a judge in the French Council of State, which she joined after graduating from the ENA in 2003.

Julie has a Master's degree in private law, and a Master's degree in international relations and economics from the John Hopkins School of Advanced International Studies. Before that, she graduated from Sciences Po Paris.

Merieme CHADID

Explorer, Astronomer

Merieme Chadid is considered the first astronomer in the world to commit to installing a large astronomical observatory in Antarctica. She was the first to place an Arab flag (Moroccan) at the South Pole. She is also one of the first pioneering astronomers to install VLTs (very large telescopes) in the Atacama Desert in Chile, the driest desert in the world. Merieme was awarded the decoration of «grade officier» Wissam El Alaoui by His Majesty the King of Morocco. She was honored by the World Economic Forum and the MY HERO project as Young Global Leader. She was listed as one of the 30 most fascinating workers in the world by Forbes Magazine.

Merieme was portrayed in the book *Libres, insoumises et audacieuses (Free, rebellious and audacious women)*, written by Claire Champenois and released on International Women's Day in 2015.

Merieme obtained her PhD in Astronomy and Space from Paul Sabatier University and completed several executive education programs at Harvard University. Her research fields are focused on stellar and universe evolution. Her scientific discoveries are published in numerous international reviews and books. She gives lectures and supervises PhD students.

2015 « YOUNG LEADERS »

THE «YOUNG LEADERS PROGRAM»: THE PROMOTION OF EXCHANGES BETWEEN CHINESE AND FRENCH HIGH POTENTIAL INDIVIDUALS

MA Qian 马骞

Deputy Director, Department of European Affairs, Ministry of Foreign Affairs

Ma Qian graduated in 2002 from the China Foreign Affairs College, where he obtained a Bachelor's degree in Arts. In the same year, he started his diplomatic career in the Ministry of Foreign Affairs of China.

From 2002 to 2006, Qian worked at the Chinese Embassy in the Democratic Republic of the Congo. Once back in China in 2006, he worked at the French desk of Department of European Affairs.

From 2009 to 2013, he successively worked at the Chinese Embassy in the Belgium and at the Chinese Embassy in France. Then he came back to China in 2013, and served as Deputy Director, first in charge of European affairs and later in charge of French affairs.

Alexandre MALSCH

Co-founder and CEO, Meltygroup

Alexandre Malsch is the co-founder and CEO of Meltygroup. He heads a global media group, composed of 14 thematic websites in France (melty.fr, meltyFashion, meltyStyle, meltyBuzz, meltyFood, meltyCampus, meltyXtrem, meltyDiscovery, Fan2.fr, june.fr, mcm.fr, virginradio.fr, neonmag.fr, airofmelty.com) with local versions in Italy, Spain, Brazil, Germany, Poland, Czech Republic and Morocco. Every month, the group receives more than 26 million visits worldwide, from 27 countries. It has established itself as the first web media group among 18 to 30-year-olds and 12 to 17-year-olds.

Alexandre is driven by his passion for the Internet, but also by his enthusiasm for entrepreneurship. From the beginning of the meltygroup adventure, he managed to convince major institutional and private investors to support him. These investors support him today in order to develop meltygroup's new projects, but also on an international scale.

Alexandre has been elected Vice President of the French Digital Council, in charge of start-ups and entrepreneurship. In 2013, he ranked N°1 at the «Festival des Entrepreneurs» in Méribel (category "Young? So what?") and in L'Opinion's ranking of "Those who shape public opinion", in the "actors" category.

In spring 2015, Alexandre launched «Snap Trip London», the first reality web documentary ever produced and broadcast on SnapChat. It generated 8 million views during 3 days.

She joined the Department in 2004 and was mainly responsible for high-level delegation receptions, the overseas visits of provincial leaders and local government exchanges with Asian and African countries.

Before that, she worked for the General Consulate of China in Sydney and Melbourne, responsible for passport and visa applications and the handling of consular cases.

From 1993 to 1997, Ronghua worked as a staff member in the Protocol, Consular Affairs and Press Section in the Sichuan Foreign Affairs office.

Ronghua was born in 1974 in the Sichuan province.

Pascaline MICHAULT

Air Force Major

Pascaline Michault is an Air Force officer (rank: Commandant).

She graduated from the Ecole de l'Air in 2003. She was first assigned to an air defense squadron, in which she was responsible for training fighter pilots in military aviation technology.

From 2005 to 2008, she joined the Centre de Planification et de Conduite des Opérations (CPCO, or «Center for the planning and running of operations») in Paris and was involved in several crises (evacuation of French nationals in warring countries, piracy, etc.). She was also responsible for the follow-up of the French air force's contribution to the International Security Assistance Force (ISAF) in Afghanistan. Since 2011, Pascaline Michault has been assigned to the Army Staff as a desk officer working on bilateral military relations between France and countries in South Asia. Pascaline Michault also conducted an external operation in Chad in 2004 and participated in several joint military exercises.

Pascaline Michault graduated from Sciences Po Paris and INALCO.

2015 « YOUNG LEADERS »

THE «YOUNG LEADERS PROGRAM»: THE PROMOTION OF EXCHANGES BETWEEN CHINESE AND FRENCH HIGH POTENTIAL INDIVIDUALS

QIN Xiaoxiao 秦潇潇

Executive Director, Meiqin Consulting

Qin Xiaoxiao started her international experience in Philadelphia, in 1998. She received her Bachelor's degree in Economics from the University of Pennsylvania, and a Master's in Public Administration (M.P.A) with a focus in Economic Policy Management from the School of Public and International Affairs (SIPA), Columbia University.

After completing her college degree, she moved to New York City to follow in her family's footsteps in the field of Diplomacy and International Affairs. She worked for the United Nations for five years as a young public information assistant, and was privileged to attend the UN 60th Anniversary and a number of international conferences.

Xiaoxiao also found her passion in International Education. She developed an International Pre-College Program for the University of Pennsylvania and Columbia University, and acted as the Program Chief Representative in China. The program brings elite students to top universities in the States, and aims to educate promising students and identify future young leaders.

Xiaoxiao loves all forms of art and international culture. She co-founded China Society, a nonprofit organization in New York, and jointly hosted U.S-China Movie Festival in the city and UN international territory in 2006. She has been a member of the Executive Committee of the Beijing International Ballet and Choreographer Competition since 2011.

Franck RIESTER

Mayor of Coulommiers

Member of Parliament for Seine et Marne

Since June 2007, Franck Riester has been a member of Parliament for the fifth district of Seine et Marne, re-elected in 2012. He has also been the mayor of Coulommiers since March 2008, and is President of the "Municipalities Community" for the Coulommiers area.

As a member of the Commission of Cultural Affairs and Education of the National Assembly, he focused particularly on issues related to culture, media and new technologies. He was a member of the Copé Commission on the reform of public broadcasting in 2008, Rapporteur of the Hadopi law in 2009, and co-author of a report on "Music Creation and diversity in the digital age" in 2011, which advocates the creation of a National Centre for Music. In February 2010 and September 2011, he also made proposals to improve online administrative services, in two reports on the improvement of the digital relationship for the user.

Franck Riester is also an entrepreneur and, as such, runs several car dealerships.

Franck Riester graduated from the Institut Supérieur de Gestion (ISG) and obtained a Master's in the management of territorial communities from ESSEC Business School.

YUE Lei 岳雷

Senior Vice President, Sanpower Group

Yue Lei entered Sanpower Group in 2006. He was appointed Vice President in 2013 and is now Senior Vice President of the company.

Lei has been honored as “Outstanding Leader for Supporting the Labor Union” by the Nanjing Labor Union of Emerging Industries for three consecutive years since 2012.

In 2012, he was selected as a member of the 14th Committee of the Nanjing Youth Federation. In 2013, he successfully won a seat in the Standing Committee of Jiangsu Youth Federation. In 2014, Nanjing University of Posts and Telecommunications invited Lei to be an Enterprise Tutor. That same year, Lei was appointed Councilor and Deputy Secretary General of the Nanjing Public Diplomacy Association.

Sanpower Group Nanjing Investment Management Co. Ltd., a wholly-owned subsidiary of Sanpower Group, was founded in June 2003. Lei has been the company’s Chairman of the Board since 2010. In April 2014, Sanpower Group spent 200 million pounds acquiring an 89% share in House of Fraser, one of the most time-honored department stores in the UK. The acquisition is the largest direct overseas purchase from a listed company in China A-Share market history. Lei personally took part in the event, leading teams to visit the United Kingdom for research and negotiation purposes many times before the acquisition.

Lei graduated from Xuzhou Normal University, and majored in free combat in college. He was the free combat champion in the Martial Arts and Free Combat Championship of four provinces (Jiangsu, Shandong, Henan and Anhui) in 2003.

ZHANG Changyong 张长勇

Chairman, EaseHealth Industry Investment Holding Company

Zhang Changyong is the Chairman of EaseHealth Industry Investment Holding Company.

Before that, he was the financial innovation manager of China CIC Trust, the Vice President of Rongtong Capitaio Company, and a partner at Zhonglun W&D Law Firm.

EaseHealth is an industry investment and investment management institution focusing on medical service and medical technology. The company focuses on clinical medical service, innovative medical technology and personalized health insurance investment. Its purpose is to boost the future of Chinese medicine and, in so doing, become the leading medical investment holding platform of China.

Changyong has more than 10 years of investment experience in finance and medical treatment. He graduated from the law school of Renmin University of China.
